

# IAPP Event Information

Privacy Certification Training - 13th Annual Privacy and Security Conference  
Victoria - February 14 & 15, 2012

Date: February 14 — 15, 2012  
Event start time: 9:00am  
Location: Victoria Conference Centre

Training is an integral part of your preparation for privacy certification. It deepens your understanding of the legal, technical and operational concepts that drive global privacy and data protection issues and it maximizes your potential for success on the IAPP certification examination.

Certification Foundation and CIPP/C Training are being offered in Victoria on February 14 and 15, 2012.
